

## **Horsemen :**

On behalf of the Quarter Horse Racing Association's Board of Directors, Indiana's Quarter Horse Breed Development Committee and the horsemen we represent, we would like to welcome and thank all of the consigners and buyers for participating in the first annual Q.H.R.A.I. SPEED SALE.

As most of you already know, Quarter Horse Racing in Indiana has exploded. Over the past 5 years we have developed one of the strongest programs in the country and through a sluggish economy both nationally and state wide, every single statistic that can be measured has shown growth in the Quarter Horse Racing Industry. Our program has attracted leading breeders, owners, jockeys and trainers from all over the country. The numbers of races, starters, starts per horse, earnings per horse, breeders, etc. have steadily increased year after year. The Quarter Horse Racing Industry has been a profitable place for horsemen to invest their hard earned money and the Future only looks brighter.

Our association has discussed the possibility of offering a speed sale for nearly 10 years. After serious consideration and discussion we are excited to be able to start the QHRAI SPEED SALE this year. We are making every attempt to offer our consigners a first rate market place for their horses, as well as developing a market for quality race prospects, breeding stock and barrel prospects. We look forward to getting feedback on how to better serve you in the future.

Once again we want to thank everyone who helped make this sale possible, and we wish all of our consigners, breeders and owners the very best luck.

# 2011 QHRAI Speed Sale

## Terms and Conditions

1. An entry fee (as determined on front) shall be rendered to QHRAI with this Consignor's contract. This fee is not refundable. In addition to this entry fee, Consignor agrees to pay QHRAI a commission fee of 5% of the final bid recognized by the auctioneer or \$150 (whichever is greater) if the horse is sold to a bona fide buyer. Consignor may choose to set a reserve for his horse. Consignor is responsible for bidding to this reserve and for bidding on repurchases. Commission fees apply to repurchases. QHRAI reserves the right to publish the name of the final bidder.
2. Upon execution of this contract, Consignor agrees not to dispose of the horse by private sale. The horse will be offered to the final bidder. Consignor further agrees not to withdraw his horse except in case of serious injury or serious sickness. In the event of serious injury or sickness, Consignor agrees to notify QHRAI within 24 hours of discovery of such sickness or injury. If it becomes necessary to withdraw the horse due to serious injury or sickness, a notarized veterinary statement must be presented to QHRAI at least 24 hours prior to commencement of the first session of this Sale. The veterinary statement shall state the date the horse was first examined and should be specific as to the nature of the horse's problems. If the horse must be withdrawn due to injury, sickness or death, QHRAI will retain the entry fee describe in paragraph 1. There will be no substitutions allowed for horses withdrawn due to injury, sickness or death.
3. Consignor is the sole responsible party for the safety and well-being of his horse until the signing of the Acknowledgment of Purchase form by the final bidder is recognized by the auctioneer. Although QHRAI will make every effort to collect the purchase price, QHRAI is simply the Agent in this transaction. At no time does QHRAI have a pecuniary interest in this horse. The Consignor fully warrants clear title of the horse to the Buyer and thereby represents that there are no encumbrances against the horse. Consignor guarantees to Buyer full, complete and peaceful ownership.
4. This contract shall become part of QHRAI's file. Consignor agrees to receive the horse back as being unsold and shall forfeit entry fee if a qualified veterinarian determines that particular defects were not announced. (See page 1: cribber, cryptorchid, sight defect or bleeder.) In disputed cases involving the defects of a horse (identified above), QHRAI will have the sole right to appoint an expert who shall decide the fact at issue. The decision of the expert shall be binding on Consignor and Buyer. If the Consignor is determined to be at fault, he agrees to pay the examination fee. In case the horse is rejected by the Buyer as a result of misrepresentation by the Consignor and the rejection is sustained by the expert, the Consignor will pay the full commission owed and forfeit the entry fee.

# QUARTER HORSE RACING ASSOCIATION OF INDIANA

5. QHRAI reserves the right to reject the sale of any consignment if it considers the horse unfit for sale. QHRAI also reserves the right to (a) determine the order of the sale of all entries, (b) assign stabling facilities as it sees fit, (c) change the time or date of this sale should unforeseen circumstances necessitate such a change, and (d) subject horses to examination by appointed veterinarian prior to sale. Said horse will be sold on his findings. Any horse found to be in unsatisfactory condition will not be permitted to sell (entry fee forfeited).
6. Each and every horse consigned to the sale must have a negative Coggins Test drawn within 12 months of sale date. Out of state horses entering the grounds for this sale must have a satisfactory official health certificate dated within 10 days of sale. The Consignor agrees to provide QHRAI with the original paperwork described herein on or before the sale day.
7. The Registration Papers of each horse must be furnished with a signed transfer of ownership by the Consignor. If for any reason the Registration Papers cannot be furnished, it is the responsibility of the Consignor to have this information announced by the Auctioneer. QHRAI will withhold settlement to Consignor for all sales until it receives delivery of Registration Papers, and any other necessary documentation in proper order. In the case of broodmares, all information required to register unborn foal will be provided by Consignor.
8. The Consignor agrees that he will be present in person, or have a duly authorized representative present, to make true representations concerning each horse (announcements at time of sale take precedence over all other representations, either written or verbal, and will be binding upon Consignor.)
9. QHRAI is authorized to decline any bid by intoxicated or disorderly parties, or by those who have defaulted on former purchases, or by any person who, in its judgement, is not a reliable or responsible party. And in case any purchaser fails to pay for and receive a horse struck down to him, QHRAI is authorized to accept the same amount from another person, or to accept the next highest bid, or it may if in its judgement it is in the best interest for all concerned, put the horse up for sale a second time. QHRAI shall not be liable for any deficit should the final bid on resale be less than that on the initial sale. But in the case where a horse is not paid for fully in cash and/or check, or should conditions make immediate resale as herein provided impossible or impractical, the Consignor agrees to receive it back as unsold, without attaching any liability to QHRAI.
10. QHRAI will settle with Consignor for property sold no sooner than 14 banking days after the last day of sale.
11. The laws of the State of Indiana will govern this contract.
12. All EIA (Coggins) laboratory certificates must have all the markings described and drawn on the certificates for International Shipments of Horses. Original Certificate, No Copies accepted! Only (1) one horse per certificate.
