Important Changes for 2011 Regarding Existing Out of Competition Rules

All horses nominated to stake races will be eligible for out of competition testing from the day of nomination. Several drugs were added to Out of Competition Testing for 2011 including Zilpaterol, Ractopamine or any similar agent. If you have any questions about any of these rules, please refer to Indiana Code 71 IAC 8.5-2-5 and 71 IAC 8.5-3-4. You may also contact the Indiana Horse Racing Commission at <http://www.in.gov/hrc/> or (317) 233-3120.

How This Affects You

- Once a horse is nominated to a stake race, he WILL be in the pool of horses used for selection of Out of Competition Testing.
- If the owner/trainer has been contacted and notified that their horse has been selected for Out of Competition Testing, that horse must be produced at the track by the time provided by the IHRC.
- If the horse is not brought to the race track within the allotted time, the horse will be ineligible to race in Indiana for one year.
- The current trainer MUST be named at the time of nomination. If there is a change of trainer at any time, the new information must be forwarded to the Q.H.R.A.I. immediately.
- If a nominated horse becomes lame, sick or for any other reason will NOT compete in the trials or finals, he must be officially scratched through the QHRAI (prior to being contacted by IHRC) or he will remain eligible for ALL Out of Competition Rules.
- Except for stake races where high money earners are preferred, there will be no refunds of nominations or payments.

By signing and submitting this stakes nomination form, the trainer is hereby agreeing to abide by Indiana Horse Racing code.

Once this nomination is received by QHRAI, you will receive a reminder for next payment date and a list of nominated horses. Sustaining payments must be submitted on time whether or not you receive this reminder. Nominations and sustaining payments will be added to the stakes purses. A 20% marketing and administration fee will be withheld from all open stakes nomination and sustaining payments.

Late payments - If nomination is missed - double the missed nomination plus the first sustaining payment. Must be postmarked by the first sustaining payment date. Late pay after first sustaining payment is double missed payments plus \$5,000 plus 2nd sustaining payment. Must be postmarked by June 1st. No late Nominations or payments accepted after June 1st (or after final sustaining payment date, whichever is earliest).
